

# 3MIGO

Company`s Culture :

CLAN CULTURE

Professionalism

Communication – quick response rates

Security

Creativity / creative freedom

Productivity

Team-work

Mental-health support

Our company aims to keep communication and team-work at a high while maintaining respect and creative freedom

Diversity, creative freedom, self-discipline, transparency, working smarter not harder, No bureaucracy, a great place to work

Our key focus in 3AMIGO is keeping employees happy and not overworking them. Besides that we promote creative freedom and self-discipline, we cut bureaucracy and our totally flat structure removes any organisational barriers that get in the way of our developers creating a great experience for employees and customers alike.
